

## The REACH Centre Summer Program is now open for applications!

Our summer program runs from July 2 to August 15, 2019, on Mondays through Thursdays, from 9:00 a.m. to 4:00 p.m. Participants from 16 to 25 years of age and attending high school can register for one, two, or three days per week. The cost is \$60.00 per day. Activities will include lawn bowling, mini-golf, arts and crafts, games at the Conservation Area and outings to explore and hike at the special places in our region. Participants will build new friendships, while engaging in fun and enriching activities. What better way to spend the summer!

Visit the website at [reachcentre.org](http://reachcentre.org) and download your application package today.
