

**SAFETY TIPS:**  
Before you begin

Assess the area. Look out for hazards and possible dangers.

**SAFETY TIPS:**  
During your clean up

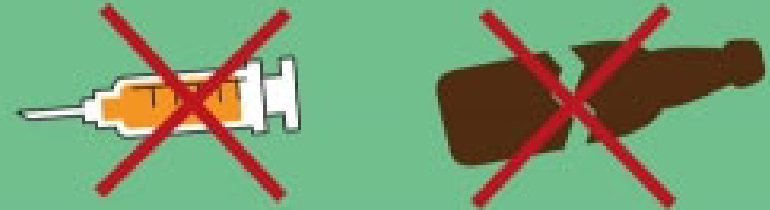

Supervise participants closely, do not let children go off alone.

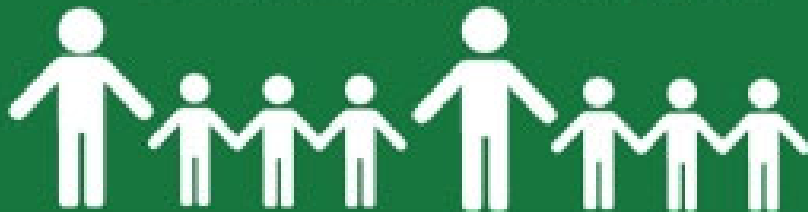

Be prepared, be safe. Bring proper safety equipment and tools.

Do not pick up dangerous items.

Be sure to have enough supervisors in your group.

Watch for cars and be careful near roads.

Be prepared to sort items for garbage, recycling, and large items.

Don't carry heavy items alone.

Arrange disposal. Call local government or private waste management company.

Wash your hands.
